We keep you up-to-date with all the rude goings-on from around the globe...

A man in Villigan, Germany, was pulled over routinely by police, which wouldn't have been a problem, but for the 24 bin bags, filled with women's underwear, he had in his car. Hannes Muellinger, 57, claimed the knickers were for personal use, but for some strange reason the police didn't believe the 16st man, and pulled him in for questioning. After some brief (sorry) investigating, the grundies were traced back to a lingerie shop, which had been burgled. The Knickers thief almost got away with £130,000 worth – which is a whole lotta pants!

Well, it's better than a night bus, isn't it? No wonder 29-year old Jennifer Gille decided to chance her arm with an irascible cabbie in Covington, Louisiana, demanding a 1000-mile ride to Michigan rather than deal with the chip-throwing, stomach-stabbing late-night masses. One can have an inflated sense of wealth after a drink or two (see our attempts to order extra chicken wings with our late night kebab) but hard-up Jen decided to pay for her trip by whipping off her clothes in exchange for the meter. Unfortunately for the cab driver, while stopping outside the police station to deposit his unwanted but nubile fare, he had his cab nicked by his naked fare. Happily for him, his cab was recovered round the corner by US coppers who found time between eating donuts and sucking off the latest police commissioner to track down this heinous criminal.

Russia seems to be fast becoming the best place on earth to report weird sex news from – it must be all that vodka, petrodollars and 'life is cheap' attitude, left over from Stalin's day. A 44-year-old man, Alex K from the Tver region, north of Moscow, attempted to have sex with a raccoon during a booze-fuelled party in some woods. In the absence of any women, Alex K caught a raccoon and proffered his penis to it. "A friend of mine told me the raccoon was a kind and caring animal. I thought it could take care of me," he said. Sensibly, the raccoon bit off half of the man's penis and Alex K was sent to Russian A&E. Or maybe it wasn't so sensible, as the raccoon promptly choked to death on the penis segment. At its autopsy the penis chunk was recovered, but was unable to be reattached to the dick that lost it in the first place.

Nearly half of all British women keep their clothes on during sex, according to a fashion survey. Whether that's because their men are the impatient type or they're just modest is unclear, but while men preferred their ladies to go naked or wear a negligee, women plumped for keeping their bra on. Sixty-one per cent of women claimed to prefer sex with the lights out, compared to just 37 per cent of men. The survey

visit www.paulraymond.com

ound!

didn't report what percentage of women were turned off by men wearing clothes in bed, but we reckon a hundred per cent love their fella keeping his socks on at all times. At least we don't complain!

The appearance of the green-eyed-monster is never very pretty, but especially when tying the knot! A 22 year-old woman spotted an ex-girlfriend of her groom on their wedding day, and landed herself and her new husband in jail for the night. After drinking some champagne at the wedding, tipsy Marissa Ann Putignano-Keene went to drive new hubby Timothy Keene to the reception, but spotted his old flame in a car park, in Barnstable, Cape Cod, and started hurling insults. After exchanging a few words, the blushing bride tried to run the unnamed woman over, but luckily missed. She was charged with assault using the car, and her husband was charged with disorderly conduct. Ah, wedded bliss...

A couple were arrested after being caught having sex on the Queen's lawn, outside Windsor Castle. Clearly not tempted by the chance to see Queen Mary's Dollhouse or St George's Chapel, our drunken duo preferred to make each other's attractions public. Geed on by watching soldiers, Japanese tourists and wailing snot-nosed children dragged there by their parents, the randy thirty-somethings went at it on a private grass bank, but were finally arrested and spent the night in the cells, to sober up. "They even ignored the Keep Off The Grass signs!" Said one goggle-eyed old bat, the sort of person who would have complained about them having a cigarette afterwards as well. The Queen was in residence at the time, but her spokesman insisted she was in her private apartments, blissfully unaware. Yeah right, Liz!

Nerdgasm's X-Mas Geekmagedon!

This month Nerdgasm has started it's Christmas list to Santa early! To start are two wonderful tomes from those funny chaps at *Viz*! First up is *Roger's Profanisaurus – Das Krapital*, a fully revised and updated version of the ever-expanding dictionary of bad language, featuring more than 12,000 degenerate definitions! And further *Viz* goodness comes in the shape of *The Five Knuckle Shuffle*, a hardback reprinting all the best bits from issues 172 to 181 of their hilarious mag! Also on our note to Santa is *Rebellion*'s triple volume *ABC Warriors: The Volgan War*. As the Mek-nificent Seven travel across Mars they recall their early days in the Volgan War, an untold tale of blood and guts from the pages of *2000 A.D.*, written by Pat Mills and beautifully illustrated by Clint Langley! And if that wasn't enough four-colour action our favourite bespoke publisher *Taschen* is about to unveil *75 Years of DC Comics: The Art of Modern Mythmaking*, the single most comprehensive book on *DC Comics* ever published! With more than 2,000 images of covers, interiors, original illustrations, photographs, film stills, and collectibles, *DC* veteran Paul Levitz traces the company's history, from its pulp origins through to the future of digital publishing! But if Santa can't fit that down Paul Raymond Towers' chimney we'd equally settle for a stack of the recently launched hit Brit comic *CLiNT*. Spearheaded by *Kick-Ass*'s Mark Millar this brand new monthly delivers adult comic strips from Jonathan Ross and Frankie Boyle as well as being packed with great features like Hot TV Mums and Huw Edwards' Space Oddities, plus it features Millar's return to comics with *Kick-Ass 2*! Lets just hope Santa's got room in his sleigh!

"she was sucking my shaft deep into her mouth"

I have discovered the ultimate place to go in order to pick up women of all ages who are always well up for a good shag. And the best thing about this free fuck-market is that you will have little or no competition from other blokes. Yep, you did hear me right! You can have a face like the rear end of a milk float and a body like a sack of turnips, but I can almost guarantee that you will get your end away or at least return home with a few ladies' phone numbers cluttering up your wallet.

Too good to be true? Well, I'll let you in on my secret, as there really is enough for every red-blooded bloke and, to be honest, I'm so knackered boning these honeys, I could do with a bit of help satisfying the demands of so many crazed and wanton women.

Get dressed up, squirt yourself with half a can of Lynx [Actually, go easy on the Lynx, believe me! – The Ed] and get on down the Bingo!

No, I'm not joking. Just think about it. Hundreds of semi- pissed, dolled up women of all ages, desperate for a good time. No other blokes within a few hundred yards and you just sitting there all helpless, waiting for some bit of totty to explain the rules!

You really can't lose, lads, and I've been scoring like Wayne Rooney against a pub team for weeks now. Take last Saturday for instance. I'd asked this big-boobed blonde if she could give me a hand with my card and she'd leant right over, those jumbo-sized knockers just inches from my face. Okay, her perfume was a bit cheap and over-powering, but I was pretty certain I'd be squirting my cum all over those lovely big, round chest pillows before the night was out.

Soon, I was sitting in between my new friend, Sharon, and her mini-skirted mate, Gail. As the next game started, Sharon reached under the table, slid her hand up my thigh and groped between my legs. My dick sprang to attention and quickly filled her palm with pulsing meat. "Oooh, Gail. I think we're onto a winner here," she laughed. "Cop a feel of this..."

Gail squeezed my rock hard prick, kissed me on the cheek and parted her legs as I slid my own hand up her thigh and nestled my fingers against the moist warmth of the lacy material stretched tight across her pussy. Women at other tables shrieked drunkenly to each other as my two companions skilfully manoeuvred past my flies and actually released my aching dick beneath the table.

"Oh dear," Sharon suddenly shouted at Gail, "I've dropped my pen."

She dived off her chair and the next thing I knew her lipstick-caked lips were spread around my knob, and she was sucking my shaft deep into her

mouth. I nearly came there and then, especially as I managed to get the tips of two fingers into her friend's soaking pussy at the same time.

"Fuck Bingo, I want that prick," Gail muttered and stood up, her tiny mini-skirt still pushed up and the gusset of her black panties askew as my concentration returned to the tongue cheekily tickling the tip of my dick.

"Let's go to the car," Sharon said from under the table as she roughly stuffed my dick and balls back into my jeans. We vaguely made ourselves decent and stumbled through the packed auditorium to the car park in the rear.

Diving into the back of a battered hatchback, Sharon pulled me in on top of her and shoved her tongue down my throat as she once again freed my prick, yanking back the foreskin as Gail adjusted the front seats and clambered into the back beside us. Yeah, it was a bit tight, but now was my chance to get my hands on Sharon's big tits and I dragged them one at a time from her bra before pressing them together in order to get both large nipples into my mouth at once. I sucked on them noisily as they swelled in my mouth, Gail wriggling into a position where she could push my knob between her lips and suck me off at the same time. Squeezing Sharon's fat knockers roughly as we snogged some more, I realised my dick was at the entrance to a cunt and, in the cramped darkness of the car, I actually couldn't tell which of these dirty sluts I was about to fuck. I didn't care either way and thrust forward, embedding my shaft in a gorgeous warm, wet and tight hole. I guessed I was screwing the slimmer Gail, as I began to bang away, my tongue still swirling around her mate's eager mouth. A hand cupped my balls and I pushed a couple of fingers into the pussy I wasn't humping, grinding them deep in the sticky, wet softness before smearing the juice around the entrance and down in between the ass cheeks writhing beneath me.

Fuck, I wanted to cum and pulled my cock from the hole where it was buried, Gail swivelled round and wedged it in her mouth, sucking my meat, as I pushed Sharon down, making it obvious what I planned. She pressed her tits into Gail's face as she continued to suck my aching knob, but as the sap rose through my balls, Sharon heaved my dick from her friend's mouth and plunged it into that awesome cleavage. The spunk squirted from my cock spraying breasts, faces, necks and searching tongues, jets of cum hungrily devoured by my newfound fuck chums. In the gloom, I watched Gail lick the dollops of jizz from her pal's boobs and then snog her mouth as they both frantically fingered themselves to orgasm.

We cleaned ourselves up and Gail drove us all back to my flat where the party continued, and I got to shaft them both in the comfort of my bed until we were all well and truly knackered. As I say lads, Bingo – it's the future!

Johnny, Bishops Stortford.

I really enjoy my job as a barmaid, but it has become even better since Kelly took a job here. Kelly and I got along well together from the minute we met. She knew everything there was to know about mixing drinks and has since given me loads of hints and tips.
We've always have a good time together and always made each other laugh, no matter what we were dealing with at work.
I thought from the start that she was beautiful as well as fun, what with her smooth, creamy skin and long, dark wavy hair.
I have a nice figure, but hers is just incredible! She has amazing breasts that you just can't help staring at.
Anyway, the pub we work in is a pretty big place, and there are over 10 staff on duty at any one time. Although a cleaner comes in every morning, we all have to take turns checking the toilets during our shifts. It's nothing difficult, just stuff like replacing the loo rolls, although the odd time we do have to mop up. While we're doing this we hook a sign on the door to let the customers know that the facilities are being serviced. Last Wednesday it was my turn, and I set off with my mop and bucket to check the status of the bathrooms. As I was hanging the sign on the door handle, Kelly came in with me.
"I need to go in there," she said, pulling me inside with her, and giggling. Telling me she was taking an unofficial break, she told me to lock the door while she popped into one of the empty cubicles.
I got on with my work, replacing the toilet roll in a cubicle as I heard her flush the cistern, make her way to the washbasins and turn on the tap. To my surprise, however, Kelly was standing there with her shirt off, her beautiful breasts straining in her skimpy bra.

"I dropped to my knees and began licking her glistening pink skin"

She smiled and said softly, something like, "I've seen the way you look at me."
I was so flustered I didn't even speak, just watched as her nipples hardened under my gaze. She dried her hands and, not waiting for me to answer, just began opening the buttons on my blouse and peeled it off. Removing my bra, her grin broadened as the sudden feel of air on my nipples made them tighten.
Licking her full lips, Kelly leaned over and put her mouth to one of them, teasing it with her tongue as she sucked on it. Instantly my pussy moistened and I reached for her beautiful, hard nipples,

touching them through her bra. This was what I had wanted for so long. I was becoming more and more aroused, and wondered how far she wanted this to go.

As if she had read my mind, she unzipped my skirt and let it fall onto the floor. Dropping her own she peeled off my panties, and I helped to remove hers.

I slid my hand between her thighs and was relieved to find her pussy was just as wet as mine. I keep mine neatly trimmed but Kelly's was smoothly shaved and completely bald. I took my time feeling all of her, rubbing her juices around, and gliding my finger over her aroused clit. She backed up against the vanity counter and spread her legs.

I dropped to my knees and began licking her glistening pink skin. Parting her labia with my tongue I drove it into her, revelling in the sweet, fresh scent of her juices. Licking my way up and down her slit, my tongue slid slowly over the hard little nub of her clit with each pass. In a few minutes, Kelly was squirming against me, pressing her pussy hard against my mouth. She started to moan very softly as I eased two fingers into her cunt and then began moving them in and out, as I sucked on her clit. Rocking her hips back and forth, Kelly was breathing hard, then suddenly I felt her body spasm and her inner muscles contract against my fingers. She suddenly grabbed hold of the back of my head, pulling my face hard against her pussy as she moaned out loud and came on my mouth.

She released her grip on me and sat there panting for a few seconds as she came down from her climax. Then we swapped positions and my whole body tingled with anticipation. I couldn't wait to feel her lips and tongue on me.

Kelly pulled my legs up and apart so I had to sit back on the counter edge. Leaning into me, she slid her tongue along my slit and up to my clit, flicking her tongue quickly from side to side. When I started to quietly groan, she stopped stroking my clit and pushed her tongue as deeply as she could into my quivering, wet pussy. She was fucking me with it, swirling it around inside me and rubbing my clit with her fingers. I could feel my impending orgasm building inside me, and when she nudged a finger gently inside my anus I came hard, gripping the edge of the counter so frantically that I chipped a nail.

After my orgasm finally subsided, Kelly sat back and smiled, licking her lips. "I think our breaks at work just became a lot more fun," she said, with a wicked gleam in her eyes. "Don't you?"

Just then there was a tap at the door. "Are you finished inside there?" came a voice. We quickly threw our clothes back on, shared one last kiss and arranged to go back to my place after work.

probably "borrowed" from the hospital stores! But they'd sized them down – Kellie's was riding up to expose black stockings and sussies, and Shona's was bursting at

bedside table, along with the bunch of grapes she'd bought for me!
"Don't know how you're expecting to take his temperature with that!" Shona joked.
No need, thankfully – I already knew I was feeling hot!

"she started wanking me, as the pussy on my mouth rippled with pleasure"

There are two types of dirty tackle – one's a personal hygiene issue, the other's a matter for the referee! I got the second type, during a Sunday league game – some vicious arsehole fouled me and left me needing a minor op on my ankle.
Lucky for me I have loads of mates on and off the team, so I never went short of visitors. One of these was Kellie, a girl I'd been shagging on and off.
One day, she drew the curtains around the bed and gave me a sneaky handjob. "Something to fuel your fantasies," she said, just before she left. "Not that you need it, you dirty sod!" She'd seen how I looked at some of the nurses!
If they gave me ideas, she had a few of her own. A couple of days later, she turned up with a mate of hers, Shona, giggling away and so obviously up to no good. I was in a private room but after pulling the curtains closed, just to be sure, they took off their coats to reveal nurses' uniforms!
We're talking the genuine article here,

the seams and funnelling her big tits up so she couldn't even get close to fastening the top few buttons if she'd tried.
Now Kellie made a big thing of unpacking a carrier bag she'd brought, dumping a big dildo on my

I'd already got a semi, and as they rubbed their tits together – one more straining button on Shona's uniform giving way – I felt the blood rush to my dick, making me rock hard. Shona's big rack was soon uncovered and, as she ripped Kellie's top open, I saw she was wearing a shelf bra – it pushed her globes up and together but only covered the underside of them, showing off her nipples.
Shona cupped them, rubbing the nipples, as Kellie started sucking on hers and using her hands to jiggle them up

g!

"my balls were tight and ripe for cumming"

against her face.

Now the skirts were rising even higher as they rubbed each other's pussy through them. "How wet are you already?" moaned Shona, and I thought how Kellie's snatch felt round my cock. Tight and always so fucking juicy…

Kellie got a couple of fingers up her in return and said she was like a one-woman lube factory.

When they heard the rustle of my sheets and my hand slapping up against my cock, they pulled apart. Kellie took over wanking me and tossed the dildo to Shona, who put one long leg up on the bed, splaying herself open, and teased her labia and clit with the rubber tip of it. Then it just disappeared inside her, all in one go.

I felt a bit torn – groaning with pleasure as Kellie closed her lips around my prick, but wanting to see the girls get stuck into each other again.

She massaged my balls as her mate ploughed the dildo in and out of her snatch, which sounded like it was slurping on it, she was so moist. "Show me your arse," I groaned and she obliged, turning round and resting one knee on the bed, then reaching up between her thighs to poke her cunt with the toy, while using her free hand to tease her own arsehole.

I was so horny, had such a build-up of jizz in my balls, that I knew I couldn't take much more of this. I probably managed another minute, then I shot my wad into Kellie's mouth.

She let it pool, then walked over to Shona and gave her a kiss. They passed my spunk messily from mouth to mouth, letting it dribble down their chins, all foamed up.

Kellie pulled the dildo free of Shona's cunt, and asked me if I wanted to taste her. "Not off that!" I said. Kellie sighed and deep-throated the dildo, sucking it clean of juices. Then she began to tease herself, just gently at first, giving me a bit of time to recover!

Patience isn't her strong point, though, and she asked did I want to give Shona a licking, or should she?

There was only one way to do it, in my situation – to have Shona straddle my face. My leg twinged a bit even though she got on top of me really gently, but it was well worth it to have that incredible bum right in front of me, and her plump, wet slit spreading open over my mouth. I fingered her tight arsehole, too – if she never took a cock up there, it was a massive waste.

Kellie wasn't going to be left out. She stood by the side of the bed, dildo now stuffed up her snatch, sucking on Shona's big tits. Then she started wanking me off, as the pussy on my mouth rippled with pleasure.

We took it slow, Shona cumming first but sinking herself down on me again for more of a licking. Then I heard a telltale moan from Kellie. A few minutes later, my balls were tight and ripe for cumming, too. Kellie knew the signs and had Shona lean forward, aiming my tip right at them so I sprayed them with my hot cream.

She posed for me to take a camera-phone snap, before Kellie licked her clean, then it was time for them to get dressed. "You shouldn't be using your mobile in hospital," said Shona, totally straight faced. "Orgies are fine, though," Kellie chipped in.

I'm back home now, and Kellie's been taking care of me by herself – I don't think she wants me to get too used to threesomes with Shona! I can't help it, but I keep dreaming about Shona's luscious arse, and I'm determined to stick my prick in it as soon as I can…

AN OPEN INVITATION:
A REAL SWINGERS PARTY
IN SAN FRANCISCO
FEATURING FOOTAGE FROM A REAL SWINGERS PARTY IN SAN FRANCISCO WITH 127 AMATEUR SWINGERS AND 15 PORN STARS
THE BEST COUPLES FILM TO COME ALONG IN YEARS! AVN

The last time I was sent to a swingers on-set, it took me a while to learn where it was ok for me to stand and look, with all those writhing bodies around. After a while, I learnt of course, that you just have to focus on one thing at a time! Therefore I was more than looking forward to this one, not least because it meant getting flown out to San Francisco for the privilege, and I knew that as this was a *Private* film, the women were bound to be beautiful women of the highest and sluttiest quality!

My prediction was, of course, correct and arriving with the crew at a pretty fancy loft apartment, there was a set-up with three or four couples. The women in each case ticked plenty of boxes in the variety stakes, from short

"the blonde was urging both men to come..."

and long-haired brunettes, to a ridiculously sexy Asian girl and the obligatory pneumatic-looking blonde with the added bonus of tattoos. Knowing myself very well, I chose to focus on the latter as the crew split around the apartment, filming different bits of the action simultaneously.

Beginning by kissing the brunette in front of her 'husband', the blonde then hiked her new friend's dress up and took long, luxurious strokes of her pussy with her tongue. As she whimpered with delight, the bloke then took it as his cue to get his cock out, and his dutiful wife's mouth was around it in no time. In control, the blonde then issued the command for him to kiss his wife, whilst she continued pleasuring her. The brunette was flat-chested but with the tightest body you could ever hope for and the way that the other girl kept complimenting her seemed to be turning her on almost as much as the fingers and tongue work. I couldn't help but agree though – she was stunning – and it seemed that the blonde's fella did too, as soon he was getting in on the action. As both women were being fucked across the sofa, I began to think about all the times I'd been drunk back at someone's house with mine and my mate's girlfriend and I can honestly say that I think a game of 'truth or dare' was about the closest we'd got to anything risqué. If only I'd suggested that I put my cock in my mate's bird's mouth, and likewise, how much better my life could have been...

It was at that reflective, thoughtful moment that I happened to glance up and realised that I could actually see the arse of the Asian girl bouncing up and

down on the balcony, and my mind instantly started to picture what was going on up there. I'm sure there's at least another girl up there with her, I thought to myself. Remembering my own advice to focus though, I returned my gaze to what was right in front of me – which now involved the brunette furiously sucking her husband's

cock, while he kissed the tattooed blonde, who was getting nailed hard from behind. This really couldn't have been more different from any couples nights I'd ever had!

With both the girls then on their knees, the blonde was urging both men to come, but even she looked surprised by the load she received across her face, splashing up into her hair as she smiled and giggled in delight. It was then the turn of the brunette to see how grateful her husband actually was, and as he delivered an almighty jet of spunk into her mouth, the other girl then arrived to lick and clean up any that had been missed. Yeah, as you can imagine, it was a pretty incredible sight!

Unusually though, the noise didn't stop when the scene infront of me did, as we could then hear what was clearly the climax of the action upstairs (if the male grunts and female screams were anything to go by, anyway!) and the urge to quickly run up the stairs was only curbed by the fact that I had to remain (or appear!) at least a little bit professional!

Therefore, satisfied with what I'd been lucky enough to witness, I started thinking that this had been a much more straightforward swingers set-up than the one I'd been to before. However, at that moment, I then heard the director shout, "Okay, let's get set up for the main orgy scene". Oh, right, that was just the starter!

The last time sexy Nicole Lauren appeared in Razzle DVD she looked super-cute in a pink bow and hotpants. Not this time, however. "I wanted to be more vampy." She explained, "Your readers have only seen me looking sweet, and I wanted them to see what a vixen I can be! There's nothing like a bit of red lipstick to get men going! Just imagine the marks it would leave on your cock!" Oh, we are, Nic, we are!

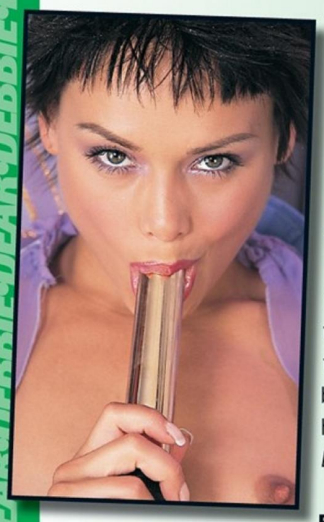
dear Debbie

Premature ejaculation? Abnormal fetish? Whatever your problem, Razzle DVD's own agony aunt Debbie can fix it!



I've just been dumped by my bird, which I'll get over quickly, but the day before she did it, I spent a fortune on sexy gear for her, including a load of dildos. Anyway, the bitch finished with me and now I'm stuck with all this gear and am too embarrassed to take it all back? Any ideas how to get rid?
Dom, Leeds

Errr, doh! If you have the receipt just take them back to the shop. Alternatively, you could see if the next bird you end up with appreciates them more. If those two suggestions fail, you can always post them my way. I promise to make the most of every shiny penny you spent – well, as long as they're not used already, that is!

Debs,
I need your experienced advice before I end up in hospital. Me and my missus are really into the idea of inflicting pain on each other (we do love each other, honest!). I have this fantasy about her walking all over me in her 5 inch red patent leather heels. The only problem is she is scared of doing some serious damage, rather than the odd 'ouch'! Any tips on this sort of thing?
Aaron, London

Well, my first tip is to keep those heels away from your eyes and bollocks! It's different for each person, so it depends on your pain threshold, amongst other things, such as your build and her weight. If you are a skinny little bugger, but your good lady is a Dawn French look-alike, I'd say stick to the flats and have 999 on speed dial! As long as your body can take it, and she is not planning to jump around on you like a human bouncy castle, you should be fine! Although, you may want to start the whole pain thing with something light, like spanking. Works for me every time!

Please bear with me on this, as I'm going to sound pretty ungrateful at first. This weekend my girlfriend spoke the words all men want to hear, then proceeded to crush a life long fantasy – all in the space of 30 seconds! She asked me if I'd be up for a threesome with one of her mates. I couldn't believe my luck, especially as she has some really fit friends, so I told her I was. Then, she told me who would be the third party – her mate, Sam. If I'm honest, Sam is fat and ugly, and now I have agreed not only to fuck her myself, but also watch my lovely girl be engulfed by a beast. I need to get outta this one, fast!
Sean, North West.

That'll teach you for not being happy with what you've got! My first thought is that your girlfriend is a big lezza – the proper kind that don't really like cock very much, or she would have picked more of a cutie for your benefit, too. So Sunshine, looks like your problem of not wanting to fuck either of them is sorted! Sorry mate, but it may be time to get packing...

Dear Debbie
I love looking though my boyfriend's copy of Razzle DVD and having a good finger-fuck while watching the disc, checking out Britain's best birds. I'd love to treat my fella to some sexy porno pics of me (and getting them printed would be a dream!) but I am not sure how to go about it. Any ideas, please?
Jasmine, Liverpool

Depends on what you're after, as there are a few options. You can do the old self-timer jobby, get your bloke or best mate to take the snaps of you, or even pay a professional to take the photos. And as for getting published, why don't you send the Ed some pics of yourself, and if you're a looker we can always lend a hand here at PRP. Who knows, you could even surprise him with your début in Razzle or Razzle DVD!

I'm not the clingy type – in fact, I got fed up of blokes getting possessive, so I took a break from "real-world" dating, and started finding my fun online, making it clear that I wasn't looking for anything serious.

That doesn't mean I wasn't picky – if anything, I got more demanding. I followed up on the ten best replies and told them to send me a nude picture – no preview, no pussy! That weeded out a couple of timewasters but it was still a close-fought contest – and I finally chose a guy called Shane.

"He spread my thighs, then parted my pussy lips and licked along each one"

He was originally from Ireland, but now living in south London, and we decided to meet in town and get a cheapo hotel room. We had a couple of get-to-know-you drinks and he seemed cool enough – a newly single guy just up for a bit of fun. And it was kind of kinky, sitting there meeting him for the first time, but knowing exactly what he had to offer a girl!

I was wearing black trousers, a little top over sexy undies – nothing too tricky to remove – and a classy white silk scarf.

WorldMags.net

visit www.paulraymond.com

There was definitely chemistry, so we went up to the room he'd booked. He'd ordered champagne – slightly tacky and not what I'd normally drink, but it sort of suited the scene perfectly.

I got him to undo my top, then took off my trousers, strutting around in heels and undies, swigging from the champagne bottle, pretending to suck it off as a tease.

It had been sitting in a bucket of ice, so the glass was freezing cold. I undid my bra, and touched it to my nipples, so they stood up, and Shane sucked and licked them to make sure the job was done. Then I trickled champagne over them into his waiting mouth.

He spent ages playing with my tits, and generally looking and feeling me up all over, but didn't make an attempt to get in my

against my pubic bone. Then he started to use three bunched-up fingers in my hole, and I didn't stand a chance!

I started cumming, head thrashing on the pillow as I moaned with pleasure, but even when that orgasm died away, he didn't stop. He got me to the brink again in a couple of minutes, then stuck his tongue up me so he could feel me pulse with pleasure around it.

I asked if he wanted sucking off but he said no, he just wanted to get his cock inside my pussy. He was so horny he looked like he was already fit to erupt, but a bit of deep breathing seemed to calm him down.

He asked had I ever fucked tantric style.

"What, going on for hours?" I said.

"You'll be fuckin' lucky!" he said grinning. "Just the position." So he ended up

knickers. Obviously this was a ploy to get me as frustrated as possible, so I'd be desperate for a fucking, and it worked pretty well.

It wasn't till he got me on the bed that I was finally totally naked. He spread my thighs, then parted my pussy lips and licked along each one, rimming the

"His fingers were creeping into my crack..."

sweet spots at the centre. He drizzled the last of the champagne over my snatch, making me squirm as it fizzed up, but he just wanted to get stuck into eating my pussy.

His ex – or someone, anyway! – had schooled him well. He had my lips stretched wide apart and used his tongue to mash and roll my clit

was spurting inside me.
We hardly slept all night, and neither of us was shy to ask for what we wanted. A couple of the things that he suggested fazed me a bit, but I was glad I didn't say no to any of them!

"...and he used the tip of just one of them to tickle around my arsehole"

Probably the hardest thing – aside from the obvious! – was agreeing we wouldn't swap numbers. We both wanted to stick to our "nothing serious" rule. But, if I'm honest, I'm hoping he'll come sniffing round that site again, see I'm still on there and decide to contact me for round two!
Kimberley, Harrow ☺

kneeling on the bed, prick pointing north, as I slithered down his body and impaled myself on it, as slowly and smoothly as I could manage.
There wasn't a lot of thrusting, just me circling around as he plunged in deep. But he was sucking hard on my tits, each mouthful setting off a jolt inside me and around his prick.
Now his fingers were creeping into my arse crack and he used the tip of just one of them to tickle around my hole. This had me wriggling on him a bit harder, then he slipped it inside which got me bucking against him.
He started talking dirty to me too – with his Irish accent, he could have juiced me up just by reading the phone book, but to hear him ask me how I was liking his cock stuck in my cunt just got me even more worked up.
I came a couple of times – maybe too fast at first, then another orgasm built much slower and hit me hard. I was almost crying with pleasure, shaking like mad, and Shane held me, still sucking on my boobs, then grabbed my hips and bounced me on his dick until it

This is a side of the city that the London Tourist Board should really make more of...

When I got sent on this assignment, I just knew it was going to be a good one. Firstly, I live in London, so it made it nice and easy (naturally lazy, you see). Secondly, this is obviously a given... I like sex. Finally, the fact that it was a 'project' which faintly reminded me of school, was not about to ruin the other two. Even better was the fact that this was meant to be an exposé on the underground party scene. I could guarantee before even going on set, that this was bound to be better than my

"Rick got involved by pulling his cock out and steering it into Lucy's mouth"

'over-ground' party scene, which pretty much consists of me and some mates going to the pub, getting drunk and talking about *The Inbetweeners*. Basically, I was looking forward to seeing how the other half lived... and of course, fucked.

As it was set on location, the first section of filming involved following swinger couple, Helen and Rick, on their night out, as they picked up a willing, and incredibly fit and slutty looking blonde, Lucy, to live out their fantasy with them. Obviously, as I mentioned earlier, I was a little too lazy to hang around for that, so arrived as the crew got back to Helen and Rick's (pretty fancy) flat with their new friend. After a bit of fiddly positioning with the cameras, Helen didn't take long to start living out her fantasy, blindfolding the girl and sensually groping her. Soon, of course, as any self respecting husband should do, Rick got involved by pulling his cock out and steering it into Lucy's mouth. Fair play, I thought, and it wasn't as if Helen looked bothered, as she urged Lucy to take it deep in her throat. Still blindfolded, we then got the first look at Lucy's incredible body as she was stripped to her underwear, while Rick took commands on what to do from his wife, who was now relaxing in a chair with a glass of red wine. I've got to be honest, I was beginning to doubt that this was the first time they'd brought another woman home (as Helen had claimed), as she seemed pretty comfortable watching her husband bring this woman to orgasm with his tongue and fingers, even having time to light a fag, whilst finishing her drink! Confidence was one thing Helen

didn't lack, that's for sure.

Being in someone's flat definitely made me feel like a true voyeur, because not only was I checking out a couple swinging, but I couldn't help checking out the furniture, fireplace etc, as well, and feeling pretty bloody envious in more ways than one. It was like I was in a particularly exciting episode of *'Location, Location, Location'*, subtitled, "If only your shitty life was as good as this!" Luckily for Helen and Rick, theirs was as good as that – especially the latter, as he was now banging Lucy hard on the couch, while his wife gave him a free pass to do exactly what he wanted, and Lucy was pretty much thanking him for his trouble!

I kept expecting Helen to get involved, but I simply think she was enjoying the view as much as the rest of us, especially as Lucy was now on top of Rick, her perfect breasts bouncing up and down as she moaned her delight. I found myself switching my gaze between the action and Helen as she muttered her commands, and at one point I must have lingered too long, as Helen kept her stare in my direction and half-smiled as if to say, "I know you're enjoying this". Er... well, yes I was!

Lucy, by now, was finally un-blindfolded and perfectly naked on all fours, wanking his shaft whilst her tits jiggled. I could see the camera was capturing this incredible view perfectly and the moment he blew his wad, her mouth was over the tip catching every last drop between her pouted lips. Helen then asked if Lucy was free again the next week, which prompted a little giggle and a 'yes'. Unfortunately, the invite wasn't extended to me, but you can't win 'em all I guess, can you?

I was already more than convinced that London's underground party scene was something that really should be made available to more people (aka me), but by the time I'd been to a few

"the moment he blew his wad, her mouth was over the tip catching every last drop"

more shoots that involved some mild spanking, choking and an epic threesome, then really it should be made law.

We spent hours forcing ourselves to view nasty bongo flicks, just for you guys. It's a hard life...

Life In Bras
(Television X)

It seems that the world will never tire of nostalgia and equally it seems that the world will never tire of porn remakes of popular films and TV shows. I for one, will never tire of the latter, if *Television X* are the ones behind the lens, as they do exactly what is needed. In other words keep the overall theme, but take out the crappy 'drama' bits and the ironic "Oh look, do you remember Spangles" reminisces and replace them with loads more close up shots of women getting banged. They should actually be in charge of all mainstream TV programming.

One scene into *'Life In Bras'* (I don't really need to explain what they've done, do I?), and we get our 70s detective with his head between the legs of the gorgeous Syren Sexton, before bending her over his desk for what must be the most invasive police questioning I've ever witnessed. I guess they could get away with more in the 70s before all that political correctness? As well as an even re-appearance for Ms. Sexton where this time she takes on two blokes in a retro looking apartment, we also get great performances from Starr and Lala, who deserve an award for letting men with the most disgraceful sideburns anywhere near them!

There is also of course a vague plot to keep in line with the original series, but I'll be honest, I wasn't really following. Plus, they're not really telling the true story with that title as the bras, are on for less than 5% of the film! ·8/10

Alice *(Cal Vista Pictures)*

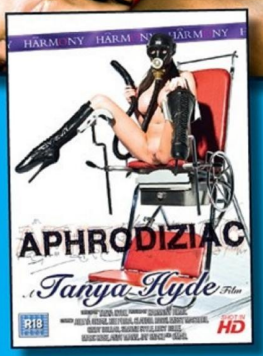
Whilst we all know the story of *Alice In Wonderland*, the only way you're going to find out the story of Sunny Lane's experience in the 'Rabbit Hole', is by watching this... and let us assure you that it's way more memorable than that bullshit you listened to in school. Sunny Lane is perfectly cast in this role as she has a deceptively innocent look, coupled with a naturally cute and curvy body. A body that she puts to good use in scenes with characters like The Cheshire Cat, who apparently are corrupting our innocent – although by the time she's finished with them, we're pretty sure who's corrupting who. They've left no expense spared on this one, even down to an

Aphro-tantric?

Aphrodiziac *(Harmony)*

Sometimes you know just what you're going to get with a Tanya Hyde film. Sometimes, you think, "Well, even I didn't expect that!" Aphrodiziac doesn't disappoint on either front, with trademark fetish scenes and more than a few extreme shots that show that the director remains ahead of the rivals.

The other advantage a Tanya Hyde film has over its competitors is the fact that every single woman in the film is basically perfect. So when you see the likes of Ree Petra, Cindy Dollar and Lucy Belle having their holes plundered by the usual rubber clad cock wielders then it's far more palatable to experience any new fetish that occurs.



This time round, it's the Nazis and the Gestapo who are given the deviant tag and we see many a hat and goggle wearing bloke forcing their length into a more than willing pussy or arsehole, in both one-one-one and pretty tough gang-bang situations. The final scene in particular is relentless with the Nazi's, true to form, showing little mercy. We also have scenes on what could easily have been interrogation tables, if the way of interrogating in WW2 was to have two women put your cock and balls in their mouth until you finally confessed... aka shot your load all over their faces. But, hey, realism isn't the order of the day here and this is definitely a world of fantasy that few do better than Tanya Hyde, so fans will be far from disappointed. · 10/10

ews!

exclusive rap performance in the Rabbit Hole Club from a low level group called *Dirt & Bank*, who to be fair, actually bring a decent slice of Southern strip music to the proceedings!

The proceedings being women like April Flores and Kimberley Kane, grinding up against each other. Thankfully, we also get a lot more than just grinding including an incredibly lavish orgy scene set around the Mad Hatter's Tea Party, which ends with our heroine Ms. Lane taking the Hatter up to the woods for an extra special treat.

If you have an aversion to too much face-paint and wacky costumes, this may not quite do it for you, however, the awesome performance and looks of Sunny Lane make it a certified winner. • 8/10

Private Extreme 45:
All Girl Fight Club *(Private)*

Girls fucking? Girls fighting? Which is hornier? Well, you don't actually need to decide with this one, as there's more than a healthy dose of both. Right from the first wrestling bout with Madison Young and Darling, this is a truly no holes barred event. In fact, the dirty trash talk before the fight is probably enough to get most blokes off, but once the action gets started it really does have everything. Particularly as these girls can actually fight! By the time Madison's pants are ripped off and Darling has her in a full leg chokehold, it's hard to believe the stamina. I'd personally be like, "I give up, can I just fuck you now?" However, after a good half an hour of grappling and heavy panting (with Darling pretty much in control throughout!), we have two naked women who are amazingly ready to do just that. Well, I say two, but really it's the main aggressor Darling doing all the fucking, dragging Madison around by the hair for a bit before hammering her with a strap-on, showing the kind of energy most blokes could only dream of. Let alone after a long wrestling match!

Needless to say, Madison Young truly submits and she's not the only one throughout the DVD, as the winners get to do exactly what they choose with those who unwittingly stepped onto the mat with them. However, like I said at the start, if you like wild girls fighting and girls wildly fucking, then it really gets no better. Ultimate Surrender indeed. • 9/10
